## Our Mission

*To exist as a community resource for families and individuals in need, while reflecting the love of Jesus in practical ways.*

This year we have seen tremendous growth in both the volume of need in the communities we serve and the services we have been able to provide. We believe everyone has a right to live free of poverty. We relieve the financial burden of poverty through our discount clothing program, food pantries, emergency care boxes, and School & Christmas assistance. In moments of one-on-one prayer we bring peace to the spiritually depleted. Through self-discovery and empowerment programs; PTI, GLOW, and Jobs; Ready-Set-Go, we bring hope to the lonely and lost.

***"The one who blesses others is abundantly blessed; those who help others are helped." Proverbs 11:25***

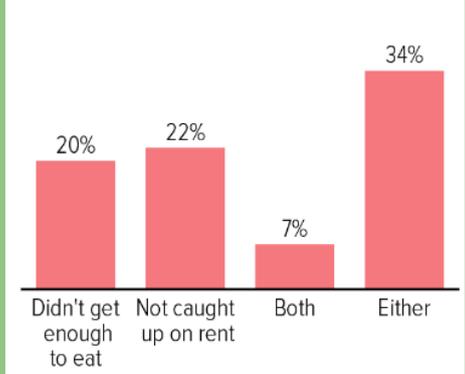

This hope is possible only because compassionate, selfless, kind people like you continue to invest in The Way Station mission. You heard the call. You joined the fight. You prayed and consulted your heart. You made a profound difference. Because of your partnership, we continue to strive, serve, and hope.

***When you donate to The Way Station, you are breaking the cycle of poverty in your backyard.***

Please continue to pray for The Way Station staff and volunteers as we minister to those in need during such difficult times in the year ahead.
