

Fall 2022 The Way Station

Helping children in our communities

Everyday, The Way Station is making a difference in the lives of children and families that we serve. We also support foster parents who love foster children when parents have failed. One of those people dedicated to foster children is Stella Gamble of East Palestine. Stella and her husband

Daren have been caring for foster children for over 25 years, first with teen mothers and their babies and now with sibling groups. They currently have eight children but have had 40 in the last two years with literally hundreds of kids coming through their home over the years.

How TWS has helped

Through your continued support, TWS has assisted the Gambles with food, diapers, hygiene and period products but the biggest help has been access to name brand discount clothing. "We are on such a tight budget and I want them to be proud of what they are wearing. For these kids to be able to wear the same brand of clothing at a school full of strangers is just one step in providing them with the best opportunity to succeed," said Stella. Many of the children come only with the clothes on their back, no coats, proper under garments or proper shoes.

"Between two of your locations, I was able to purchase like new coats this year for all eight of our foster children. That saved us between \$400-\$500 alone," said Stella. She also likes to purchase suits, shirts and ties for the boys in the community who wouldn't be able to attend prom without them.

The Way Station continues to be honored with the privilege of helping those in need. Together we can offer lasting change to parents and hope to children for a bright future.

GLOW

Summer camp for Girls Leading Our World, for teen girls in 5th-12th grade has started with a bang. This summer we have had the most girls involved since the beginning of our program!

The greatest part is, we always have room for more!!

Sign up today on our website for our year round GLOW program. We still have room in either our Columbiana or our East Liverpool location.
