

WINTER 2023

The Way Station

Columbiana Retail Floor

Recently we discovered the entire 9,000 square feet of our retail floor has extreme structural damage that includes mold and rotten support beams. Unfortunately, we will need to close our doors for about two months in order to do a complete demolition, mold remediation and reconstruction with a new concrete floor.

We are committed to ensuring that we can still serve families in need so we will move to a temporary pop-up location at First Christian Church of Columbiana at 39 Cherry St. Here we will offer some seasonal retail items like Christmas decorations, winter coats and boots. Our annual Christmas toy giveaway will be held at FCC too.

As the only remaining food pantry in Columbiana it is vital that we make arrangements to feed those in need. Our November and December food distributions will occur at The Upper Room Fellowship directly across the street from The Way Station and will be a convenient drive through.

We are announcing a Capital Campaign to raise the donations needed to fund the estimated \$250,000 needed to complete this project. We will be seeking financing from our local banking institution, it is imperative that we pay off any loan as soon as possible to keep the interest costs at a minimum.

The Way Station is a 501(c)(3) nonprofit organization under the regulations of the Internal Revenue service. All contributions are tax-deductible to the extent provided by law.

Congratulations to the founders, volunteers, Board of Directors and staff. 35 incredible years of staying true to the mission and serving those in need.

Up Coming Events
